Egerer Relief-Cabinet

Eger, ca 1660

attributed to the “Meister mit dem ornamentierten Hintergrund”

ebony, fruitwood, boxwood marquetry Eger cabinet

62.5 × 56.5 × 33.5 cm

The cabinet depicts on its panels the “parable of the prodigal” son. A similar cabinet is exhibited in the “Museum für Kunsthantwerk” in Frankfurt / Main . Two panels of the same master with the identical parable are in the “Kunstgewerbemuseum Berlin”.
